## SECRETARY

## EDUCATIONAL TARGETS

Dealing with social issues has led policymakers and economy players to increasingly include their interventions within a European framework.

By being committed to the joint development project of a European Master of Social Work and Social economics (SOWOSEC), with eight other European partners, the **Faculty of Law and Social Sciences** of the University of Poitiers and the **Régional Institute of Social Work** IRTS Poitou-Charentes aim to provide a qualification for holding positions of project leaders and managers, in organizations, institutions and services operating in the field of health, social work and social economy.

The course of this Master is led through a local partnership between the **IDSS** of the Faculty of Law and Social Sciences at the University of Poitiers and the **IRTS** Poitou-Charentes.

As part of the European program ERASMUS, one of the objectives of the European Master of Social Work is to offer students some mobility among all partner training centers, taking into account the continuing education, as defined in the Bologna Process .
